

This architectural floor plan depicts a semi-circular building layout. The central area is a large hall with a light beige floor, containing two rows of long, narrow tables or benches. To the right of the hall is a series of rooms numbered 101 through 110, with room 110 at the top. Rooms 101, 102, 103, 105, 107, 109, and 110 are shaded in a light purple color. Room 101 features a staircase. The building's outer boundary is a thick black line. A curved wall on the right side of the hall is marked with a dashed line and a 4.5° slope. The area outside the building is shaded in light gray. Elevation markers are present: +0.450, 0.000, -0.010, -0.800, and -1.500. Dimensions include 65 500, 36 250, and 35 250. A section line 'A' is indicated at the top and bottom. The plan also shows various structural elements like walls, doors, and furniture.
